

REQUIRED
NOTRE DAME OF DE PERE
Scrip Release Form 2017-2018

As per the GRACE System Registration/Tuition Agreement for the 2017-2018 school year, each K-8th grade family will need to earn \$250 towards Third Source Funding. Upon reaching the family goal in SCRIP profits, Notre Dame of De Pere will keep 1% of the total profits and the remaining 99% will be given back to the families directly as a tuition credit.

There is no required SCRIP purchase amount for families that only have an Early Childhood student, although purchasing SCRIP through Notre Dame of De Pere can help you earn tuition credit. For every SCRIP purchase, Notre Dame of De Pere will keep 2% of the total profits and the remaining 98% will be given back to the family directly as a tuition credit.

If you opted out of purchasing SCRIP, \$250 should be paid directly to Notre Dame School by check by January 1, 2018. Please see the detailed information regarding SCRIP on the Notre Dame website.

In order to insure proper delivery of purchased SCRIP, please sign and state below whether SCRIP can be sent home with a child or to be picked up during SCRIP hours. By checking the box to be sent home with your child, you are accepting responsibility for any lost scrip.
