

Notre Dame of De Pere **Family Fundraising Handbook 2018-2019**

Mission:

This handbook will serve as a guide for families on all school fundraisers. Some of these fundraisers requires a chairperson and many also require a planning committee to help them function to the best their ability. In addition, fundraisers often require volunteers to help on the day the event is held to ensure the event runs smoothly.

Fundraising Committee:

Stacy Blahnik, Alisa Conway, Debbie Ruggles, Kim Connelly

Third Source Funding Requirements:

For the 2018-2019 school year Notre Dame of De Pere is required to raise \$134,631 through third source funding to meet our GRACE financial commitment. The money raised to meet this requirement will be sent to GRACE to cover the operating costs for our school and other GRACE wide expenses. Once that commitment level is met, any additional money raised is used to benefit our school based on the priorities that Notre Dame of De Pere sets each school year.

Service Hours Agreement

Two parent families are required to put in a minimum of 20 service hours; single parent families 10 hours. Service opportunities are classified as either Priority Activities or General Activities. The fairs focus on uniting kids with literature and bringing the community together in honor of that mission. The fairs also provide us with the opportunity to engage in reading with your kids and tune in to their passions.

The event is set up in the elementary school gym and parents volunteer to work the checkout. Profit to the school can be in cash back on fair sales or in books that the schools can use. This is also a great way to help the teachers provide the children with great classroom books.

***Lunch Servers/Escorts from Middle School (Priority Activity) Year Round:**

Notre Dame needs help from parents to volunteer in the cafeteria to serve lunch to the Elementary and Middle School students. Together we can provide a nourishing meal in a safe, clean environment. The time requirement for cafeteria duties is 11:30 to 12:45 which covers all grades being served.

We also need help walking the middle school students over from the Middle School to the Elementary School. You will start at the Middle School at 12:25 walk the students over to the Elementary School and come back to the Middle School at 1:05.

***Scrip – (Priority Activity): Year Round**

Scrip is a year round fundraiser that allows the school to profit from the purchase of gift cards for hundreds of retailers that people use regularly. With this program, you buy gift certificates from the Scrip office at face value. The Scrip office purchases these certificates at a discounted rate from the vendor, the difference being the profit the school receives.

Each family is expected to purchase scrip annually or use the “buy out” option as outlined in the parent handout. Families exceeding their Scrip requirement for the year will be able to select, from a pre-approved list, where they would like to direct their excess funds. For returning students, excess scrip profits can be applied to their tuition bill.

Upon reaching the family goal in SCRIP profits, 80% of the total profits will be given back to the families directly as a tuition credit and the remaining 20% will go to Notre Dame School of De Pere.

For the 2017-18 school year Scrip earned approximately \$52,000 towards Third Source Funding.

Scrip is available to purchase in the Middle School Scrip office at designated times and on the weekends at St. Francis and St. Mary Parish Masses.

It is Notre Dame of De Pere tradition that 7th grade class hosts the 8th Grade Graduation Party. Groups of people representing both the 7th and 8th grades help plan and coordinate the above events to help make the experience a great send-off for the students completing their time at Notre Dame of De Pere. The funds used to pay for these events are those earned by selling the Notre Dame Discount Cards the prior year. Planning of this event can begin in March and should include current 7th grade families.

Chairperson for 2019:TBD

The funds raised by this event go toward the normal operating budget of the Athletics and Booster Club. The club covers expenses related to Notre Dame Athletics such as buying new equipment and uniforms, paying for referees, and any other athletics related cost.

The Athletics and Booster Club holds this fundraiser to keep sports fees as low as possible. With nearly every Notre Dame child from 5th - 8th grade participating in one sport, this event benefits all athletic programs which are provided through Notre Dame school.

All profit from the concessions supports our athletic programs at Notre Dame.

Raider Wear: Year Round

The sale of Raider Wear is a fundraiser that allows our students and families to proudly wear their Notre Dame colors. We give the students opportunities throughout the school year to wear their school colors in lieu of wearing their uniforms. Any income made on sales will go to the ABCC fund, which is used to support our athletic programs at Notre Dame.
